

A COVID-19 UPDATE FROM KEP'S PRESIDENT

During this difficult time, I want to give a huge thank you to our dedicated team members for working hard to allow KEP to operate as an essential business that our customers can count on. To everyone that is on the frontlines of this pandemic – we deeply appreciate all you are doing for our communities.

We extend our thoughts and prayers to all those who have been affected and their families. KEP is doing everything we can to protect our team members and our customers. We have enacted our emergency plan to address COVID-19 and are following all precautions put out by the CDC and state officials.

– Bob Oborn, KEP President
