

## ALWAYS READY FOR A CHALLENGE

Sometimes the common solution isn't the solution our customer needs. Many times, the solution they are looking for doesn't exist... yet. That's where our team of problem-solvers come in! A KEP customer in the food and beverage industry came to us with a new challenge to solve.

## SERVICE YOU CAN SEE

John Bragg, KEP Shift Supervisor, is always ready for action! Since starting in 1988, John has been known to be a man of his word – always honest and hard working. On any given day, you are guaranteed to find John being proactive in getting tasks completed efficiently.

John is quick to adjust for changes every day, keeping our production and assembly lines running smooth. Problem solving and preventative solutions are normal for John. There's no doubt about it – that's the KEP way!

## BLOOMING EXCELLENCE

April means sunshine, rain, and a fresh batch of KEP team members celebrating anniversaries! This month we have a combined 159 years to celebrate – we are so proud. Theresa from our Wineburg facility is celebrating 32 years while Cristal and Michael are both celebrating 27 years, also at Winesburg!

## DIRECT, FAIR & LOYAL

It's always easy for us to brag about our team, but it means even more when we get positive feedback from our customers! Check out what Matthew P., Senior Account Manager at a Polymer Services Company shared about his experience with KEP!

## FOR THE LOVE OF LEARNING

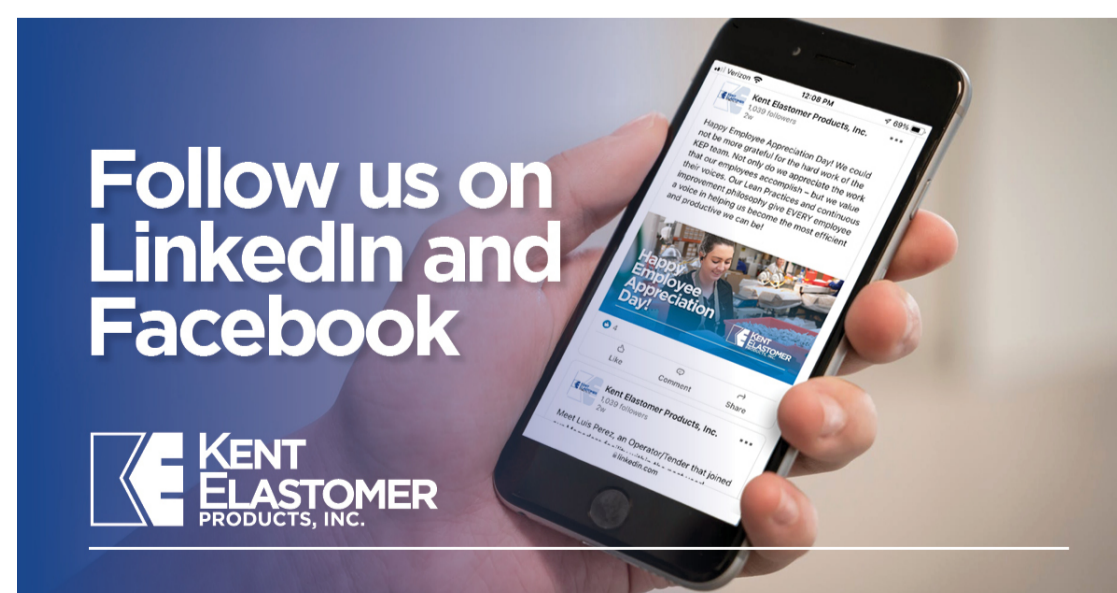

Meet John Wait, a Utility Operator at our Kent Facility who started with KEP in 2017!

John is an efficient, hard worker who thrives when he is learning new things. He loves that in this role, he gets to do something different every day, changing up his routine!
