

HONORING MEMORIAL DAY

On Memorial Day, we honor the men and women who made the ultimate sacrifice defending our country. We take time to reflect on what it means to live in the land of the free, knowing that our freedom came from the last breath of each soldier who died protecting it. To our customers, friends, and family that are missing a loved one on this Memorial Day – we stand with you.

INTRODUCING NEW KEP VIDEOS

Thanks to our new corporate and product line videos, we are bringing the heart and soul of KEP to you! Over the years, we've noticed that our clients truly witness the value of KEP when they visit our facilities – experiencing our work environment, meeting our team, and observing our product lines. Not only did these visits give us space to connect with clients, but it gave them a stronger understanding of who we are and what we do.

So when the pandemic put a stop to those visits, we knew we needed to find a way to virtually share the KEP experience with others. That's when we decided to pull out all the stops to create these high-quality videos that showcase the heart of KEP!

ANOTHER PROMOTION EARNED

We are excited to share that Michael Stecyk was promoted to our new Director of Quality, Regulatory and Technical Services! Michael joined Kent Elastomer Products, Inc. in 2019 as the Director of Technical Services. In this new role, he will continue to lead the technical aspects of the company while assuming the responsibility for the quality and regulatory sides of our business.

SERVICE YOU CAN SEE

Patty Butler, KEP Stripline employee since 2016, never wastes any time when she's on the clock! She is continually finding new ways to improve our processes and procedures. Never satisfied with the status quo, we can count on Patty to speak up when she sees issues – offering thoughts on the core issue as well as helpful solutions!

We can always count on Patty to get the job done efficiently and she often offers a helping hand to those around her. Every day she works hard to ensure our tubing gets striped in a timely manner. We are grateful to have Patty on our Stripline team!

TIME TO CELEBRATE!

As we enjoy warmer weather and the arrival of spring, we're also celebrating our awesome team! Out of this group, we would like to highlight Dorothy Stein, an assembler at our Winesburg facility who rounded out an impressive 43 years with KEP. We're also thankful that Gary Denning has been with the KEP family for 22 years this month! And finally, we can't help but be grateful for people like Adam Brady and Luiz Perez, who joined KEP a year ago now and have been wonderful assets to our team!

A TRUSTED LEADER

Meet Kent Supervisor, Bryan Hastings! Bryan has been with KEP since 1989 and he has been a huge asset to our team ever since!

A good day at work for Bryan is when everything runs smoothly: his whole team is present, there are no problems, and tasks get completed efficiently! We are grateful to have a trustworthy, productive Supervisor like Bryan!
