

ARE YOU READY FOR NEXT YEAR?

Fall into Planning

If you're a business owner, you know that fall brings more than apple cider, pumpkin patches, and cooler weather - it is also a time to plan for next year! As you prepare your company for 2023, what are your goals and priorities?

If finding a supplier that will be a partner in your success makes the list, then it sounds like you're ready to harvest a relationship with KEP! At KEP, our customers' goals and priorities are ours too. That's what true partnerships are made of!

SERVICE YOU CAN SEE!

Triple Threat: Clear, Reliable, and On Time!

Not many people can do all three - but that's no problem for Tammy, our Order Entry and Billing Specialist! She completes her tasks with precision and honesty, a benefit to us and our customers!

That's Service You Can See

We're thankful to have such a hardworking person in Tammy's position! Who else could multitask with such precision, not letting anything fall through the cracks? We've never found anyone quite like Tammy! This can-do attitude benefits KEP AND our customers!

It's because of people like Tammy that our order input and billing is always completed accurately and on time. That's just the KEP way - a true partnership.

MADE HERE, TRUSTED EVERYWHERE

"I am so thankful for KEP's commitment to American manufacturing that helped us with our goal of an "All-American" product!"

Patti B.
Sports and Recreation Company

"KEP's customer service is a pleasure to work with and consistently helpful, and their products are outstanding! We acquired Kent as a supplier about 15 years ago. I am so thankful for KEP's commitment to American manufacturing that helped us with our goal of an "All-American" product. Our business was surprisingly strong during the pandemic. KEP backed us up at a time when, finally, everyone wanted "made in the USA!"

ALWAYS GIVING 100%

Meet Derek Dunn!

Meet Derek Dunn, currently an Extrusion Operator at our Mogadore facility. Derek has been with KEP for three years, and over that time he's worked a handful of other positions such as a Tender (general labor), a Utility Operator, and a Custom Dip Operator all at our Kent facility.

THE REASON FOR THE SEASON

Give 'em pumpkin to talk about!

Our September anniversaries are certainly something to talk about! While we love the exciting events fall brings - football games, bonfires, and the turning of leaves - nothing tops our talented team member anniversaries! Out of all the talented team members that we're celebrating, we'd like to give a shout-out to Connie Dusenberry and Anne Miller for reaching 20 years at KEP! Karen Raber and Mary Wills are also getting closer to the 45 year mark - WOW! We are also thankful for newer team members like Christopher Smith and Muhammad Al Saffat for reaching one year this month. Thanks to this group of people for all you do!
