

**KEP's Contribution to Wellness**

## Breast Cancer Awareness Month & KEP's Contributions to Wellness.

KEP honors Breast Cancer Awareness Month every October by supporting and encouraging screening for the disease. Since 1985, National Breast Cancer Awareness Month has been devoted to educating the importance of early detection and access to timely, high-quality care.

To support patients with breast cancer, KEP is also dedicated to providing patient-first care to individuals being treated with application pain management equipment. We produce a key component for a high-quality pump that automatically and continuously delivers local anesthetic for post-operative and chemotherapy pain management.

**New Materials**

## Materials in Bioprocessing

**Materials in Bioprocessing: Building Blocks of Quality and Innovation**

In the dynamic realm of bioprocessing, the choice of materials plays a pivotal role in shaping the efficiency, safety, and sustainability of the biopharmaceutical industry. From stainless steel to plastics, each material used in bioprocessing serves a specific purpose, contributing to the advancement of healthcare and the production of life-saving therapies.

**Service You Can See**

## Giving More Than 100%

**SERVICE YOU CAN SEE**

**Theresa Sexton**  
Since 1990 | Line Coach

Theresa joined the KEP team over 30 years ago, serving in a number of roles in the fishline, stripline, and bulk and lacing areas prior to her position as Line Coach and backup Group Leader. She goes above and beyond to ensure our tubing products are stripped with accuracy, consistency, and efficiency. For Theresa, a good end to her work day is calculating efficiencies that are all over 100%! That's service that passes along savings to our customers!

See how KEP serves the food and beverage industry with cost-effective tubing products produced to exacting specifications > <https://www.kentelastomer.com/food-grade-tubing-applications/dairy-and-beverage/>

**Anniversaries**

## October Anniversaries

### Our A-Maze-ing Team

From corn mazes to pumpkin picking and so much more, what are your favorite activities this month? One of ours is giving a shout out to our employees celebrating anniversaries! In October, we're celebrating a total of 64 years of dedicated work with our company.

John Danes, our Senior Vice President, celebrated 36 years with KEP on October 26! Thank you for all you do to support the growth of our employees and company. On October 5th, Michael Jones hit his 14 year mark at our Kent location! Also celebrating anniversaries this month are Joshua Harstine, with 6 years on October 17th, Lee Ann Mace, with 4 years on October 28th, and Lois Harmon, with 3 years on October 6th. Last but not least, Brian Lipowski rounded out his first year at our Kent location on October 17th! Thank you to all of our hardworking and loyal employees!

John Danes – Kent – 36 years on 10/26  
Michael Jones – Kent – 14 years on 10/05  
Joshua Harstine – Winesburg – 6 years on 10/17  
Lee Ann Mace – Kent Selling & Administration – 4 years on 10/28  
Lois Harmon – Winesburg – 3 years on 10/06  
Brian Lipowski – Kent – 1 year on 10/17

**Meet The Team**

## Meet Shane Divine

Brominator | Since 2017

"Always keep your eyes open for machine malfunctions. It's always better to catch a problem early."

Meet Shane Divine, a Brominator at our Kent Facility for the past five years and counting! Shane always has his eye on the details, because he knows that spotting potential issues early is the best way to ensure high-quality processes and products. To his new colleagues, Shane says, "Always keep your eyes open for machine malfunctions. It's always better to catch a problem early!"
